- Q&A**

A close-up photograph of a person's hand holding a smartphone. The phone is tilted, and the screen is lit up. The background is a soft, out-of-focus bokeh of various colored lights (yellow, white, red, purple) against a dark night sky. The text 'SOFTWARE REQUEST MANAGEMENT' is overlaid in the center of the image.

# **SOFTWARE REQUEST MANAGEMENT**

# SRM - FEATURES

- **User Management**
  - User Registration, Approvals, Assignment under group
- **Software Management**
  - Management of software, categories, approver and entitlement (including generic)

The screenshot shows the Marimba Channel Store interface. A modal window titled 'Categories' is open, displaying a grid of channel entries. Several entries have red circles around their version numbers: '8.3 - Current', '8.5.00.000 - Current', '8.5.01.000', and '8.3.00.000'. The main interface shows various channel cards with details like version, category, publisher, and rating.

A close-up photograph of a hand holding a smartphone. The phone is held in a way that the screen is visible, though the content is not clearly legible. The background is a soft-focus bokeh of various colored lights, including yellow, white, and red, suggesting an outdoor night setting like a city street or festival. The text 'MY SQL' is overlaid on the upper left portion of the image.

**MY SQL**

Assessment of your requirement

A close-up photograph of a hand holding a smartphone. The phone is tilted, and the hand is positioned as if interacting with the screen. The background is a soft-focus bokeh of various colored lights, including yellow, white, and red, suggesting an outdoor night setting like a city street or festival. The overall mood is modern and connected.

# **EXTENSION TO ADVANCED CACHE**
