- ❖ DSG Channel Store
- ❖ Channel Store Debut
- ❖ Challenges
- ❖ RFE's
- ❖ DSG Channel Store Demo
- ❖ Office 365 : DSG Channel Store Usage & Reviews
- ❖ Questions

How It Started

- * First Attempt : In 2016, tried to integrate with Remedy to simplify software request process in Dick's Sporting Goods.
- * Lack of resources to help customization of Remedy workflow to integrate Channel Store.
- * 3 years later – Second Attempt.

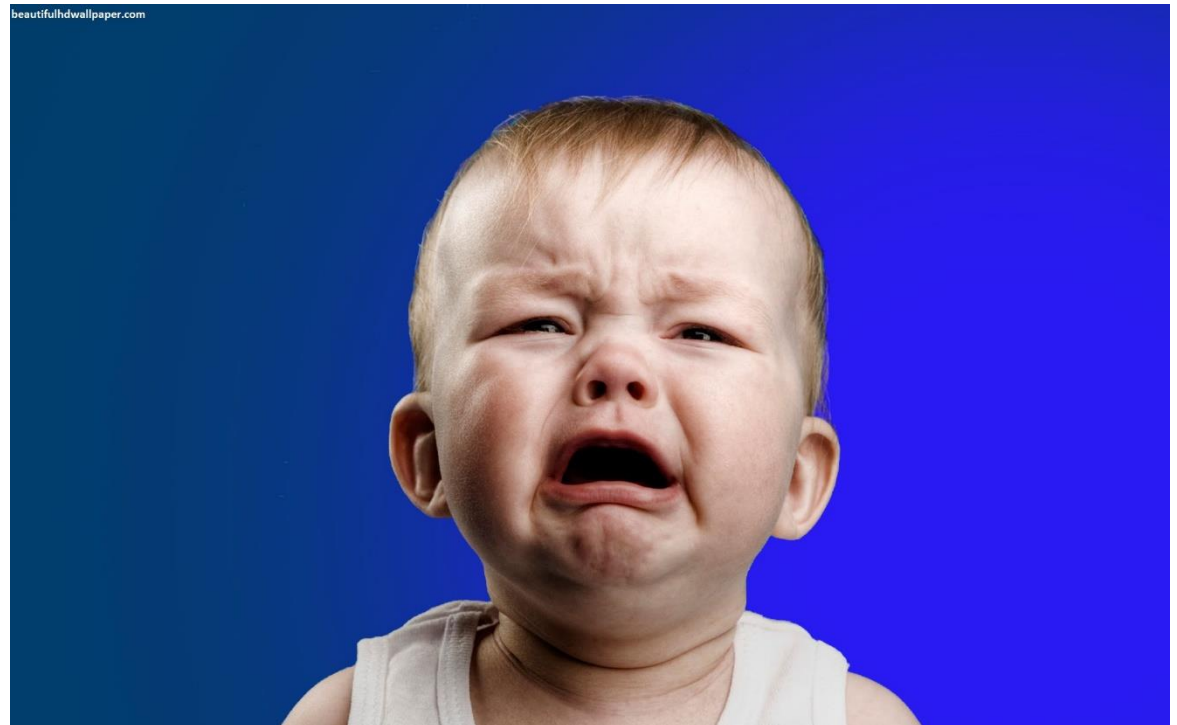

DSG Channel Store

- * An attempt to simplify software request process in Dick's Sporting Goods aiming to provide better experience and reliable software's through marimba's native interface.
- * Users can easily request, download, view, and rate and review channels.
- * Automatic e-mail notifications to users for all Channel Store operations.
- * Applications/Channels install immediately.

Proposed Channel Store Debut Top Developer Tools

Mandated Channel Store Debut Office365

Challenges - Office 365 Upgrade

❖ Challenges

- * Uninstall Office 2016 Suite
- * Install Office 365
- * Reinstall Outlook Plugins(MeetingPlanner/Webex/etc.,)
- * Upgrade Visio/Project (If Installed)
- * No Intermediate Reboots.

Challenges - Channel Store

❖ Challenges

- * No Direct Link to Channel Store.
- * No Direct Install link for Pre-Approved Software's.
- * No Progress Notifications
- * No Uninstall Link for Channel Store Install Apps.
- * Browser Choice

RFE's - Channel Store

- * Option to skip Endpoint Manager dashboard and show Channel Store Page.
- * Show "Subscribe" link instead of "Request" for pre-approved Channels/Categories.
- * Progress Bar Notifications while Channel Installation in Channel Store UI.
- * Taskbar and E-Mail Notifications when Channel Start/Stop.
- * Uninstall Link added for Channel Store Installed Channels.
- * Specify the browser to be used (default, chrome, firefox, ie, edge,...) to open console
